

# Chimney Sweeps Wanted! Installing Distributors for the HearthCAT

## HearthCAT™ Fireplace Technology

All Rights Reserved  
Clear Skies Unlimited

Where else can you find an opportunity to install an exciting technology that has no competition and is qualified to the EPA fireplace performance specification for retrofitting 30 million existing fireplaces. The device is totally passive (doesn't require any power), can be installed in less than an hour and doesn't require any maintenance by the homeowner. And on top of that, it's affordable!

**Clear Skies Unlimited** is offering chimney sweeps this unique opportunity to become an Installing Distributor of the revolutionary **HearthCAT™ Emission Control System**. This is a business opportunity through which you can build substantial residual income to supplement your chimney sweep business.
